## From the Desk of DG Kathy Spear

Good morning, Lions and Leos,

It is hard to believe that we are in April and Easter is just around the corner. Spring is definitely on its way and the flowers are blooming. What a beautiful and meaningful time of year. It is a time that we want to open the house and let fresh air in and many of us will begin our "spring house cleaning."

This is also a time of many changes and one of them is to wish Walt Murphy a speedy recovery and to let him know that we support, encourage, and show him our gratitude for everything he has done for Lions and his district. Thank you, Walt, for your continued service to the Lions and if you need anything please let us know.

We held our fourth Cabinet meeting on March 26 at the Trumansburg American Legion and thank you, again, all the Trumansburg Lions, for a delicious dinner and for providing such a wonderful place for us to meet. It is very evident that our clubs are serving their communities with pride and making great strides to invite new people to join and serve in our communities in a very favorable way. Keep up the good work and congratulations to you all for the accomplishments you have made this year.

ON a sober note, ALL CLUBS THAT OWE DUES, PLEASE PAY THEM OR GET THEM CAUGHT UP! I will be in touch with those who haven't paid and if you have, thank you. Our district receives a reimbursement for all members whose dues are paid. Our district needs the funds. DUES MUST BE PAID IN ORDER FOR YOUR DELEGATES TO VOTE AT THE CONVENTION>

As a reminder, please register for the State Convention in Niagara Falls. It is going to be a great weekend with great seminars and an opportunity to meet with Lions from all over the State. The information is in this newsletter. Let's support our IP President Doug Alexander who is from our own MD20. We are also going to have some fun. There will be an interesting contest held at the Lion's Luncheon that you won't want to miss.

Also, do not forget to register for the International Convention in Montreal. You can get that information in this newsletter.

QUOTE of the MONTH: "It's not how much we give but how much love we put into giving."

Mother Theresa

QUOTE #2: "You make a living by what you earn; you make a life by what you give."

Sincerely in Lionism  
DG Kathy Spear

## President's Message

### TELL THE WORLD YOUR STORY

Dear Lions,

Once upon a time...remember those magic words? They have the power to instantly transport you to another place and time. That's what stories do. They stop time and enable you to imagine other worlds.

When I was young, I loved to read stories about baseball players and listen to my grandmother tell stories about our family. Today, I love the stories I hear about you. Lion stories are the greatest stories on Earth. They are stories about kindness and effort and grace. They are stories about bringing people together and giving of ourselves because we know in our hearts that it's the right thing to do and the right way to live.

In a world where tragedies feel all too frequent, it's more important than ever to share your stories of service. Share them on social media, share them at city council meetings, and share them with fellow Lions at club and district meetings. Call up the local newspapers and tell them about the great projects you're doing. People want—and need—to hear about the good being done in the world. And we have the honor of doing a lot of good for a lot of people.

In honor of World Storytelling Day on March 20, I am planning to sit down with a cup of tea and my favorite stories—stories about Lions—for a few hours of heartwarming tales. I know I will come away inspired. Inspired by you, Lions.

Yours in service,

*Douglas X. Alexander*

### International Convention Voting FAQs

LCICon 2022 Montréal is happening June 24-28. Want to know more about the International Election at convention? Read through these frequently asked questions.

#### 1. Who can vote?

Every Lions club in good standing can participate in the election of executive officers and international directors and can vote on amendments to the association's by-laws by assigning delegates to represent the club at the international convention.

#### 2. How should "good standing" be determined?

For a Lions club to be considered in "good standing" and eligible for delegates during the International Convention, the Lions club must not be in status quo or financial suspension, and must have:

District (Single, Sub-and Multiple) dues and fees paid in full; and

No unpaid balance of International dues and fees greater than US\$10; and

No unpaid Lions Club International account balance greater than US\$50, outstanding ninety (90) days or more.

#### 3. How can I become my club's delegate?

Club delegates for the International Convention of Lions Clubs can be assigned by the club president or secretary, using MyLCI from January 1st.

#### 4. Where can I find my member number?

Your club secretary can retrieve your Member ID from MyLCI or from the club's semi-annual dues billing statement.

#### 5. I see that we are assigning our delegates through MyLCI. What happens if I need to change the delegate after the June 22nd date?

A new delegate can be assigned in the Voting Area at the Palais des congrès de Montréal Exhibit Hall. The new delegate will need to be accompanied by an authorized club officer\* or district officer\* and both the delegate and officer will need to provide a government-issued photo ID.

#### 6. How many delegates are allowed for my club?

Each club is allowed one delegate for every 25 members or major fraction thereof. See Appendix A (below) for the delegate limits. Note that MyLCI will inform you when the maximum number of delegates are reached for your club.

#### 7. Can I assign a delegate by mail?

No, assignment of the delegates will be performed electronically, so there is no need to mail in a form. You may assign delegates electronically using MyLCI at any time between January 1, 2022 and June 22, 2022 at 23:59 U.S. Central Daylight Time.

## International Convention Voting FAQs

*Continued from previous page*

8. Is there a spoiled ballot system?

No, the voting system will not allow you to change a vote once you have submitted it. The voting system allows you to preview the ballot before submitting, so you may verify all your selections before submitting.

9. Is there an alternate for a club delegate?

A replacement delegate can be assigned in the Voting Area at the Palais des congrès de Montréal Exhibit Hall. The new delegate will need to be accompanied by an authorized club officer\* or district officer\*\* and both the delegate and officer will need to provide a government-issued photo ID.

10. Will I have the opportunity to attend the Business Session?

Attending the Business Session is recommended to learn more about the official Rules of Procedure, certification of credentials and voting, receive information on amendments to the International Constitution and By-Laws, and hear from candidates. Please reference the schedule in the LCIcon 2022 convention system for more information.

11. Who do I contact, prior to the convention, with questions?

## Lions Roar for Vets

# Lions Roar for Veterans 2021-2022

The 2020-2021 program was a great success, serving 136 meals to Veterans. Six Clubs (Victor, Bloomfield, Rushville, Manchester-Shortsville, Phelps, and Canandaigua) and a District raffle contributed to the success; a special thank you to them all.

The average meal cost is \$138; some are higher, some are lower, depending on the entrée and fixings.

We'd like to continue the same program into the 2021-2022 year, so here are the ways District Lions Clubs wishing to participate can do so:

- Send financial donations (checks made out to Canandaigua Lions Club) so the Canandaigua Lions can buy the food and coordinate delivery, or
- Provide and deliver the food and beverage directly, coordinating through the Canandaigua Lions.

Our goal is to provide at least two meals per month for at least one location (Cadence Square is the one we donated to this past year).

Any questions? Please contact me!

## Junior Olympic Report April 2022

Thank you to all the Lions Clubs that have donated to the JO program for 2022. The 2022 Niagara Association Junior Olympics are scheduled for **Nazareth College on Saturday, June 25, 2022.**

By the time of this reading we will have had our second Zoom call for the youth clubs of the Niagara Association (WNY). The **Run, Jump and Throw Program** will begin the first week of May and continue for 6 weeks until roughly June 20<sup>th</sup>.

The **5-Star Program** tests proficiency in seven different skills that transfer to success in multiple sports. Young athletes ages 5-12 earn 5, 4 or 3-star patches upon completion of this program. The **cognitive/behavioral component** of the 5-Star Program is detailed with a 3-fold brochure that provides tips on making good decisions, **service**, cooperation, leadership and eating right. Note the “eat right” suggestions are designed to align with the initial phase of Michael Donohue’s coming diabetes initiative.

**If you would like** to view a PowerPoint on the JO Program or see a copy of the 5-Star brochure drop me an email ([spinedoctor229@hotmail.com](mailto:spinedoctor229@hotmail.com)) and I’ll send it along.

If your club (or you) would like to **make a contribution** there is still time – see the information below for details.

## WHY SERVICE REPORTING MATTERS

Lion Brenda Nudd

GST Leader

**CAPTIVATE AND CONNECT:** From a single pair of eyeglasses to a brand new hospital for a large city, reporting shines a light on how-and where-local clubs are making a difference across the world. Relevant service data ensures people in need know exactly where to go for help.

**INCREASE GLOBAL AWARENESS:** Service data helps people understand the needs of communities around the world. Global minded Lions identify opportunities and lead their local communities into actions.

**PAVE THE WAY TO PARTNERSHIPS:** Service reports provide tangible evidence to prospective partnerships of Lion's International's global engagement and impact. These relationships strengthen the organization and yield benefits at the local level.

**UNCOVER THE BIG IDEA:** Because service activities are scalable, one small service project can become the next signature initiative of the organization: but only if it is reported and promoted by Lions!

**ENHANCE OUR SUPPORT:** -Service data-along with peer-to sharing and feedback from Lions-enables Lions International to identify best practices that can be shared globally.

**BUILD A BRIGHTER FUTURE:** Measurement leads to insight which in turn sharpens our focus, setting higher and more reachable goals. Each year both unifies and mobilizes the organization toward growth.

**INCREASE OUR MEMBERSHIP:** People want to participate in real, visible change. Service reporting allows Lions to continually engage their communities, tell their stories more effectively and ultimately grow their member base.

**LEVERAGE OUR FOUNDATION:** Service reporting shows how Lions and Leos around the world are using LCIF grants to serve their communities. This visibility encourages Lions to think creatively about their own projects and apply for LCIF grants themselves.

**RECOGNIZE AND REWARD:** When Lions report service, they become eligible for a number of awards. From Centennial Service challenge patches to LEO awards, rewards recognize the hard work of Lions and motivate them to continue striving for excellence.

# Disaster Grant Programs

Lions worldwide continue to prioritize disaster relief as one of their most important local service activities. Lions Clubs International Foundation (LCIF) now offers a wide variety of funding options designed to support Lions-led relief efforts during the various stages of disaster relief operations. Lions are key figures in their communities and play a vital role in this process. Lions are responsible for assessing the needs in their district to maximize their relief efforts. Depending on the needs within the community and the Lions' plan of action, expanded funding options from LCIF enable the Lions to have a greater impact in the communities where they live and serve.

A grant for every phase of disaster

### Bloomfield Lions

BLC Member Mike Bartle held our first Eye Screening in two years at Honeoye Central School on Thursday, March 10th. BLC Lions Rick Francis and Bob Jauch assisted.

*Lion Mike's Facebook post following the Honeoye Screening: We all have busy lives and finding time to volunteer can be difficult with work and personal demands of time. I took today off from work to vision screen children at Honeoye Elementary School. 57 children were screened with 6 referred for further screening as issues were detected. Bloomfield testing several weeks prior was 104 screened with 14 referred. One of those referred went on for further testing and was diagnosed with 20/200 vision which qualifies as nearly legally blind. But you still question is it worth it as the voicemails and emails pile up. I decided to clean our used eye-glass collection box on my way back and the mom who left this note in the BLC drop box with her daughter's old glasses, you absolutely made my day!! Yes, it is worth it! Yes we will put your old glasses to good use.*

Pictured from right is BLC Mike Bartle, Honeoye School Nurse Marybeth Tonkery and BLC Rick Francis. BLC thanks Lion Mike for leading this valuable community service.

On Sunday March 6<sup>th</sup> Lion Mike Bartle along with BLC members Rick Francis and Bruce Heacock met with Extreme Tree owner Chris Andolino to remove Christmas lights and stars from trees at two locations in Bloomfield. Chris provided his truck and talents to complete this task. BLC thanks Chris for providing this service to the community and our club. BLC made a donation to Chris in appreciation of his efforts.

BLC held our first Take-out Spaghetti dinner on March 9<sup>th</sup> at Veterans Park in Bloomfield. We had a good turnout of members and patrons with 110 dinners sold. Our next Take-out Spaghetti Dinner is scheduled for April 13<sup>th</sup> at Veterans Park.

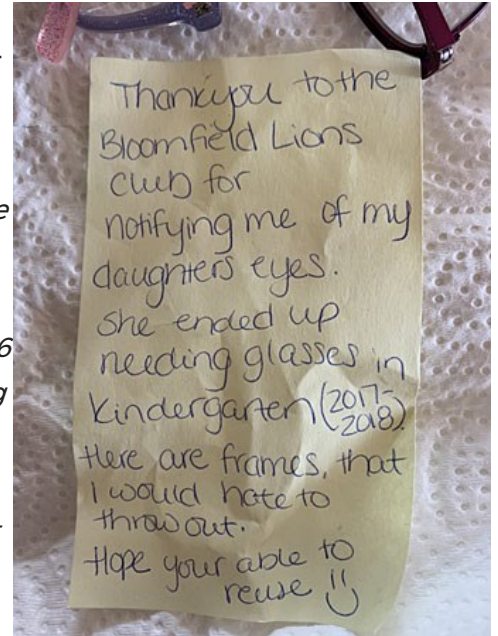

BLC Lion Rick Francis has scheduled our Roadside Pick-up for April 16<sup>th</sup> weather permitting. BLC members perform this community service twice a year on a portion of State Routes 5/20 and 444.

## Campbell Lions

### ROBERT & ESTHER CAMPBELL HISTORICAL MONUMENT [HEADSTONE] PROJECT

*Located in the Pioneer Section of Hope Cemetery of Campbell*

Robert and Esther Campbell were the first of the Campbell family who came and settled here in 1801. They brought with them a large following of family, friends and parishioners. Their pioneer settlement came to be known as "Campbelltown" at the location near what became to be known as today's Hope Cemetery. Robert and Esther died in 1817 and 1819 and were buried in Campbell's Hope Cemetery in the "pioneer section". In 1831 when our Town was founded, the early settlers wanted the Town to be called "Campbell" after its founding family.

Fast forward to 200 years later, Robert and Esther's gravestones had fallen over and were broken. There were no Campbell family members to be found who still lived here. There were many people in the Town who were concerned and various ideas were tossed around, but no one seemed to have an answer.

Sandy Austik, Project Coordinator, Former Campbell Town Clerk, and currently the Campbell Town Historian & Hope Cemetery Board Member listened to various towns people with various ideas and she came up with some ideas herself and spoke with Robert Smith who was the then-president of Hope Cemetery. We came up with a plan for a monument with a center tablet measuring 3 ft. wide with the Campbell name and a brief history of the Campbells and an artist rendering of a typical house on the hill (shown above); on each side would be a 2 ft.- wide tablet, one for Robert and one for Esther. The designed plan would also preserve the broken headstones by piecing them together and placing them on a framed foundation in front of the monument with engraved tablets of the names of those who contributed to the project.

There were two local community organizations who agreed to help back the project and were an immense help. They were the **Campbell Lions Club**, a community service organization; and the Campbell American War Dads, a local non-profit associated with the Campbell American Legion, also interested in community service.

**THANK YOU**

the generosity of many donors!

## Horseheads Lions

On March 23rd the Horseheads Lions met. We had a visit from PID Dr. Ed Cordes and Lion Gail Cordes who did a presentation on vision screening. Invited us to join them at future screenings in Elmira.

Also visiting the club was IPDG Deb Bush and PDG Harold Bush, Deb presented Lion Michele Quagliana with her 10-year chevron. Also, she gave each club member a district pin.

Region Chair Nancy Bragg was also present and spoke about the zone and future projects.

It was a great evening of club business and fellowship, and we got a new member!

## Pal-Mac Lions

The large operation of our Easter Egg Hunt happens in Palmyra, NY a week before Easter with the preparation for over 400 children. This Easter Egg hunt is sponsored by the Pal – Mac Lions Club with the Palmyra Community Center.

This Lion remembers the Easter Egg Hunt held in the Village Park for the last 50 years. It has delighted every child that attends, and now for their children or grandchildren. The first items were Peanut Butter Eggs, pallets of them.

The peanut butter eggs gave way to the stuffing of mid-sized plastic eggs as a more sanitary, safe way to throw them on the park grounds. During this 50 plus years the size of the group has been between 200 to 400 children.

The trophies come with the finding of the gold or silver eggs which are in each of the four age groups. The age groups are from 3 and under, 4 – 6, 7 - 9 , and 10 to 12. After the COVID cancellation for the past 2 years, this egg hunt hopes to be more like a stampede than a candy run. The lines are drawn and the four groups stand behind the roped off line and wait for the words ready, set, go. The race begins. This story will resume in April after the grand race for the gold and silver has ended, to be continued.

Why is this brought up, you might ask? Because March meetings were full of members filling the almost 5,000 eggs with candy. Shopping had to be done keeping the size of the eggs in mind. It was quite a job, finding gold and silver eggs, which have no Candy, only the hopes for a 1 foot or 2 foot bunny. The Pal-Mac

Lions Club has fun wearing their ears, some have cotton tails, and helping the young ones see the eggs that are hidden in plain sight, but when you are rushing to grab the silver or gold eggs, the others seem to get overlooked. “Over there, no over there”, can be heard from the excited parents as they cheer on their children.

**The second plastic egg stuffing event, for over 5,000 eggs. Our club is getting ready for the Easter Egg Hunt Saturday, April 9th**

**Memories of April 2019**

Well, we will wait and finish filling the last 2,000 eggs until next week. Our flag chairperson, Lion Bill Hassler is searching for new flags to hang at the Palmyra Marina. The warm winter project of hats, mittens and scarves never stops. Snowy days are perfect for this project says Chairperson PDG Lion Rena Haigh.

We are working up to our new list of officers and directors. Our last presentation of officers and directors, will be done by e-mail during the last week of March 2022 and the forms will be sent between April 1st , 2022 and April 10th, 2022.

The end

Thank you Lion Bonnie
